Objectives and Activities

Chamber Choir Ireland's vision is to be embedded in the heart of Ireland's musical life, as a beacon of excellence in creative music-making, and to be a respected cultural ambassador on the international stage.

Our mission is to move, challenge and inspire audiences through innovative programming, and excellence in performance. We commit to continually engage with audiences and artists in order to be a key contributor to the development of choral music. Throughout all of our work and at every point of contact internally and externally, CCI will ensure:

- Excellence in the artists we work with, the people we employ, in how we sound, in how we look, in where we perform, in where we rehearse, in our printed material and online presence;
- Artistic Integrity in every programme, every performance and in every learning and participation event;
- Professional Integrity with our stakeholders ensuring continued good governance and compliance;
- Accessibility for diverse audiences through cost, venues, locations, and in all aspects of employment and artistic engagement;
- Dignity and Respect in the workplace among employees, artists, contractors and volunteers, and to our public;
- · Sustainability in reducing our environmental impact.

Artistic Personnel

The annual artistic programme is planned between the Artistic Director and Chief Executive Officer (CEO), under advice from the Board. The Artistic Director serves as Principal Conductor for the majority of the concerts, with a team of 16 regular, free-lance professional singers occasionally replaced or supplemented by additional freelance professional deputy singers. Guest Directors are invited on occasion to direct concert programmes with 1 to 2 performances.

Chamber Choir Ireland DIRECTORS' REPORT

for the financial year ended 31 December 2021

Administrative Personnel

The Executive is led by the CEO, supported by a full-time Concerts' Manager and full-time Marketing and Development Manager. Occasional additional supports by way of production support and education administration are added as needed on a freelance basis.

2021 remained a challenge with the ongoing pandemic restrictions but despite this, a significant programme of both artistic and organisational work was carried out to a high degree of success. Where applicable, plans were amended after consultation with our principal funder, The Arts Council, within the parameters of our funding agreement, adapted for delivery within government directive, and as appropriate to the artform keeping the safety of our artists, staff and public of paramount importance. While some of the work was cancelled, most work did continue as planned with other work reimagined online.

As a strategic funding client of the Arts Council, Chamber Choir Ireland prioritised the payment of artists and arts workers in line with recommendations from the Arts Council.

Live audience and participant figures as well as online audience figures for both performances and learning and participation events for the 12-month period from 1 January 2021 – 31 December 2021 were as follows:

Live audiences:	1,322
Streamed concert audiences:	1,554
Free online content viewers:	37,087
Radio Broadcast and Streaming Services listenership:	1,480,213
Live workshop participants:	24
Online workshop participants:	<u>153</u>
Total:	1,520,353

As CCI moved to a more hybrid model of promoting concerts online as well as in-person, it enabled CCI to attract a bigger and more diverse audience.

Resourcing

The pandemic again posed significant challenges with regard to artists and the travel restrictions, but again, models were adapted in order to deliver programmes as effectively as possible. CCI also explored and delivered on other areas of the administrative resourcing capacity in the following ways:

- Agreed the renewal of the Artistic Director contract with Paul Hillier until December 2024;
- · Appointed a full-time Marketing and Development Manager;
- · Worked through the Charities Governance Code to full compliance;
- Consulted with the Arts Council in the development of CCI's new five year artistic and operational plan building on the relationship;
- Redeveloped the Friends scheme into a much broader Individual Giving programme with further expansion in our fundraising planned activities in 2022.

Organisational Output

The introduction of the Capacity Building Support Award from the Arts Council in late 2020 afforded CCI the opportunity to start two advanced pieces of policy/strategy work:

- Audience Engagement Strategy Development
 Engaging consultant, Dr Steven Hadley, CCI is exploring how programming can be segmented to attract new
 audiences (or publics) in both in-person and online scenarios with completion due in early 2022
- Equality, Diversity and Inclusion Policy Development working with the Irish Chamber Orchestra and engaging consultant, Dr Olwen Dawe to work with both organisations to write a meaningful EDI policy and action plan for implementation from mid-2022.

The Executive and Board also took the opportunity to think more intently about long-term planning and the future of the organisation devising, out of the 2020 -2024 strategy, an ambitious 5-year artistic and organisational plan from 2022 to 2026 leading up to CCI's 30th Anniversary in 2026.

Strategic collaborative work with other organisations has also begun with an ambitious application submitted for EU Culture Funding in partnership with 3 other EU Chamber Choirs and a Festival partner in the Netherlands.

Chamber Choir Ireland DIRECTORS' REPORT

Directors and Secretary

The directors who served throughout the financial year, except as noted, were as follows:

Bea Kelleher (Resigned 24 June 2021) Susan Lanningan Alastair Rankin Olga Barry John Brian Walsh Richard Twomey Triona Ferriter (Appointed 2 November 2021) Ian Smith (Appointed 8 February 2022)

The secretary who served throughout the financial year was David Darcy.

In accordance with the Articles of Association, the directors retire by rotation and, being eligible, offer themselves for re-election.

Future Developments

In respect of future funding beyond 2022, and in line with Arts Council policy for Strategically funded clients, we continue to add to reserves where possible.

Employees are kept as fully informed as practicable about developments within the business.

Funding from the Arts Council to Chamber Choir Ireland for the 2022 calendar year was confirmed in December 2021 as €625,000 representing an 14% uplift from 2021. With an ambitious plan for the next five years, we begin in 2022 with implementation of that plan which will include an increased number of performances per annum, increased diversity in programmes (including more extensive touring to more remote locations on the island), and international touring opportunities. 2022 will also see early implementation of an expanded Individual Giving programme and reaching out to corporate partners.

Chamber Choir Ireland has committed over the past 4 years to build its reserves and while public funding from the Arts Council amounted to an increase of 14% in 2022, the Directors are acutely aware of the capacity for these funds to drop in future years so remain committed to protecting the reserves and operate solely within its means whatever the funding position may be in future years.

Political Contributions

The company did not make any disclosable political donations in the current financial year.

Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Opinion

We have audited the financial statements of Chamber Choir Ireland ('the company') for the financial year ended 31 December 2021 which comprise the Income and Expenditure Account, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued in the United Kingdom by the Financial Reporting Council.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2021 and of its surplus for the financial year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 4 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

INDEPENDENT AUDITOR'S REPORT

to the Members of Chamber Choir Ireland

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page 9, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is contained in the appendix to this report, located at page 12, which is to be read as an integral part of our report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Chamber Choir Ireland APPENDIX TO THE INDEPENDENT AUDITOR'S REPORT

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and
 whether the financial statements represent the underlying transactions and events in a manner that achieves fair
 presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Income

Income is recognised when the charity has entitlement to the funds, and performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably. Donations represent the gross money raised including all gross income from events held. In accordance with best practice, donations are shown gross without deduction of any overhead costs involved in raising such funds. Income from government and other grants, whether "capital" or "revenue" grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and not deferred.

Other trading activities income includes box office fees and donations in kind. Box office income is recorded on a cash receipt basis.

Tangible assets and depreciation

Fixtures, fittings and equipment Motor vehicles
Musical equipment

15% Straight line25% Straight line

10% Straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost comprises expenditure incurred in the normal course of business in bringing stocks to their present location and condition. Full provision is made for obsolete and slow moving items. Net realisable value comprises actual or estimated selling price (net of trade discounts) less all further costs to completion or to be incurred in marketing and selling.

Trade and other debtors

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Balance Sheet bank overdrafts are shown within Creditors.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Taxation

The company is limited by guarantee and registered as a charity. The income and profits of the company are not subject to corporation tax.

Foreign currencies

Monelary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the Balance Sheet date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated at the rates of exchange ruling at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. The resulting exchange differences are dealt with in the Income and Expenditure Account.
